Navigator Features

- Full-floating 4-5/8" deep deck and integrated suspension system for minimal scalping.
- Easy deck height adjustment - 1/4" increments
- Baffle technology and 18,500 fpm blade tip speed cuts grass into finer particles for extended intervals between hopper dumpings.
- Rear-discharge deck design for better maneuverability around flower beds, trees and walkways.
- 9.5 bushel capacity hopper for less frequent emptying.
- 6" diameter deck discharge chute prevents plugging.
- Larger, 5" x 11" diameter blower provides optimum vacuum quality, 1/4" thick reinforcement plate provides extended service life on key wear areas.
- Fill reduction feature provides either 100% bagging or 75% mulch / 25% bagging.
- Low Maintenance features include:
7/8" diameter threaded height adjustment pins for ease of replacement in the field (no welder required).
5" Heavy-Duty dual-stage air filter.
Starter can be replaced without pulling the engine.
Only 13 grease points.
- Exclusive "Feather Touch" control system provides effortless handling.
- 2 Year, Limited Warranty
