

Customer Instructions Air Scrubber, 500 cfm

Unit must be electrically grounded; use only with a 3-pronged grounded outlet. Do not use an adapter.

The air scrubber is rented without filters. We sell the appropriate filters. The unit can never be run without at least 1 filter.

Remove and properly dispose of filter(s) before returning the scrubber. Failure to do this will result in a \$100 service charge being assessed to the customer. (EPA Regulations)

Always change the filters when the change light comes on.

If using the air scrubber in a contaminated area, care must be taken when removing used filters-use breathing protection or a mask.

AVAILABLE FILTERS

DE-F270	1ST STAGE PRE-FILTER:	Captures the largest particles, rated at 10% efficiency
DE-F271	2ND STAGE PRE-FILTER:	Captures larger particles, rated at 30% efficiency
DE-7321	HEPA FILTER:	Has an efficiency rating of 99.97% against 0.3 micron aerosol particles
DE-F271	DOP Pre-Filter:	When installed with the 2nd stage pre-filter & HEPA filter, the unit has a 99.97% efficiency against aerosol particles as small as 0.3 microns
DE-F397	ACTIVATED CARBON FILTER:	Removes odors such as paint fumes, sewer odors, soot, smoke and removes volatile organic compounds from the air.

NOTE: By adding a pre-filter, you remove the larger particles extending the life of the HEPA filter, which may result in a cost savings

1. To install or change the filters, loosen the 8 latches holding the inlet panel in place with the 3/8" wrench provided.
2. Slide the latches outward, away from the center of the inlet panel. Remove the inlet panel.
3. Remove the used filters and replace.
4. If using 3 filters, the HEPA filter is installed first, followed by the 2nd stage pre-filter, and for maximum effect, the 1st stage pre-filter.
5. Daisy Chain Capability of Unit-up to 3 scrubbers can be interconnected to create a maximum of 500, 1000 or 1500cfm using the auxiliary outlet on each unit.

** Ask about using this air scrubber to create a negative air environment*

Disclaimer: *These instructions are intended as a helpful reminder. They do not replace the full operating instructions found in the owners manual, which is available at the rental counter.*
